CLAW & COAL

Seafood Boil & Grill

Welcome to Claw & Coal!

Get ready for a fun, hands-on, and messy dining experience. We do things a little differently here to keep the energy high and your food piping hot.

We are a cashless restaurant operating on a pay-before-you-eat system. Because everything is cooked fresh to order, we do not serve food in traditional courses - whether you order from the ocean or the grill, dishes hit your table the exact second they are fresh and ready!

STEP 1: SCAN & EXPLORE

Make yourself comfortable! Scan the QR code on your table using your phone to open our digital menu. Your table number is automatically recognised.

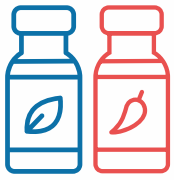

STEP 2: OCEAN, GRILL & SPICE LEVEL

Browse the menu and build your perfect feast. Choose from our seafood boils, grilled meat dishes, sides and drinks. Pick your sauce and spice level, customise your meal and add everything to your basket.

Mama's Signature Cajun Sauce – Mild 🌶 | Medium 🌶🌶 | Hot 🌶🌶🌶

Garlic & Herb Butter – Rich, savoury and entirely mild.

The Mix-Up – Mama's Cajun and Garlic Butter combined, the claw favourite!

STEP 3: REVIEW & PAY

Check your basket, then place your order and pay using Apple Pay, Google Pay or a debit/credit card. Once payment is complete, your order goes through to our team. This gets your food cooking the fastest!

STEP 4: KEEP THE FUN GOING

Ready for another round? Simply scan the QR code again at any time during your meal to order extra drinks, sides or your post-boil desserts.

Please inform your server of any allergies or dietary requirements before ordering. Thank you.
